

EXCELLENT PERFORMANCE.

QUALITY PROTECTION.

PEACE OF MIND.

**IT'S ALL PART OF
TAMKO'S COMPLETE PORTFOLIO OF
ROOFING PRODUCTS & ACCESSORIES**

CHOOSE TAMKO'S ACCESSORIES AT EACH STAGE OF YOUR ROOFING PROJECT.

Your roof consists of much more than just shingles. Underneath are several additional products all working to help protect your home from the elements. Choosing TAMKO® products will provide professional-grade performance to enhance roof protection and durability.

Cements & Sealants

Used to help seal and secure shingles and underlayments in vulnerable areas and for performing small repair/maintenance jobs.

Underlayments

Applying an underlayment adds a secondary layer of protection.

Ice & Rain Protective Underlayments

Create a barrier in areas prone to ice damming and wind-driven rain.

Ventilation

Helps to lower attic temperatures, may reduce your cooling costs¹ and promotes proper roof ventilation.

Shingle Starter

Helps get the job started right with a pre-cut starter shingle that includes a factory-applied sealant.

Hip and Ridge Shingles

Reinforce the protection at a critical area—and cap off the beauty of your roof.

Shingles

All TAMKO® Heritage® Shingles are UL listed for Class A fire and wind resistance.

BE SURE YOUR HOME IS PROTECTED IN THESE CRITICAL AREAS.

INSIST ON QUALITY PRODUCTS FROM TAMKO®

Underlayments

Tam-Shield™

TAMKO® offers a complete line of synthetic, fiberglass-reinforced and organic roofing underlayments for use prior to the application of shingles. Tam-Shield™ Synthetic Underlayment provides outstanding skid and tear resistance. TAMKO Peel-N-Stick is the industry's first and only peel-and-stick felt. And Moisture Guard Plus® helps prevent damage from ice damming and windblown rain. Additional SBS-modified underlayments and saturated organic felt options are also available.

Asbestos-free Cements and Coatings

The TAM-PRO® and TAMKO lines of asbestos-free cements and coatings are formulated to provide the precise mix required for durability and ease of application. TAM-STAR and TAM-GUARD asbestos-free white elastomeric coatings provide years of protection from harmful ultraviolet and infrared radiation, and their highly reflective surfaces may help enhance a building's energy efficiency.¹

The TAM-STAR coating is an ENERGY STAR® product. Both TAM-STAR and TAM-GUARD coatings are CRRC rated.

Ventilation Products

TAMKO offers several easy-to-install products that help promote roof ventilation. Our newest offering, TAMKO Solar Attic Vent, combines the beauty of a single unobtrusive unit with the benefits of a solar-powered system. Ridge vent options include Roll Vent® continuous ridge vent, Rapid Ridge® nail gun-able continuous ridge vent, CoolRidge® sectional ridge vent with external baffles and Xtractor Vent® XLP Turbo nail gun-able continuous ridge vent with external baffles. These products accent the ridge and eliminate unsightly vent caps to enhance curb appeal.

Roof Accessories

Laminated shingles by TAMKO create striking beauty to enhance the curb appeal of any home. Choosing to complement the shingles with quality TAMKO accessories will reinforce their beauty and help provide years of durable protection. Preformed starter course shingles are used to start the first course of shingles and can also be used along the rake edge for Heritage High Wind Application requirements. TAMKO preformed Hip & Ridge shingles provide the finishing touch.

Heritage® Series Shingles

From the classic to the contemporary, there is a Heritage® Series Shingle to complement the look of your home. Heritage® Vintage® Shingles distinguish any roof with their striking cuts and angular lines. Heritage® Woodgate™ Shingles convey a rugged yet refined wood-shake look. And Heritage and Heritage Premium Shingles are time-honored favorites.

No matter the style, you can count on Heritage performance. Heritage Shingles come with a Limited Warranty ranging from 30- to 50-years² and a 10-year Algae Relief—Algae Cleaning Limited Warranty.³

Now TAMKO has enhanced the Limited Warranty coverage on all Heritage products with a longer up-front protection period, reinforcing the outstanding value they provide.

¹ Depending on installation, building design and climate.

² To obtain a copy of TAMKO's Limited Warranty, visit us online at tamko.com or call us at 1-800-641-4691.

³ Provides for cleaning of discoloration caused by certain algae growth that may occur in areas with high humidity.
