- 20-year Limited Warranty<sup>2</sup> against rotting, splintering, splitting and termite damage
- Limited Warranty comes with a 5-year Full Start Period<sup>2</sup>
- Easy installation<sup>2</sup> with common tools and fasteners
- Low moisture absorption
- Building code approved<sup>3</sup> – ICC – ESR-1625
- Ideal alternative to wood for dock applications

<sup>1</sup> Before making your purchase, view several full-length boards. Representation of these colors is as accurate as modern technology will permit. As with any composite product, color variations will occur. View several full-length pieces of material prior to final color selection and installation. Colors will usually weather to a lighter shade within the first several months of exposure to the environment. Color selection may vary across profiles.
