

EverGrain[®]
Composite Decking

TAMKO

evergrain.com

Only EverGrain[®]
creates beauty like this.

Made with an exclusive compression
molding process for deep grain beauty.

Only EverGrain.[®]

Because your kids only grow up once. Because you can only spend so much time in front of a computer screen. Because sometimes, getting in touch with nature is the only thing that matters.

*Make it EverGrain.[®]
Because EverGrain is the only compression molded composite decking for deep lasting grain¹ beauty.*

Only EverGrain[®] is compression molded for deep grain beauty.

- Deep lasting, wood-like grain¹ created by multiple grain patterns for authentic natural beauty
- Classic Collection features attractive natural colors with timeless appeal¹
- The Vibrance Collection[®] features color highlights that emulate the textures and natural color variations of real wood¹
- Low maintenance² material—no need for painting or staining
- 20-year Limited Warranty² against rotting, splintering, splitting and termite damage
- Limited Warranty comes with a 5-year Full Start Period²
- Low moisture absorption helps to protect the integrity of the board

Vibrance Collection® colors add rustic beauty.

When only the most vivid natural beauty will do, choose one of the strikingly authentic colors in the Vibrance Collection.® Each features color highlights that emulate the textures and natural color variations of real wood.

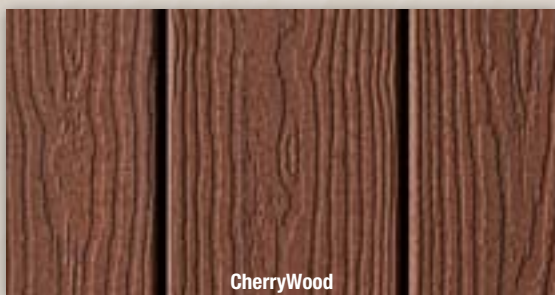

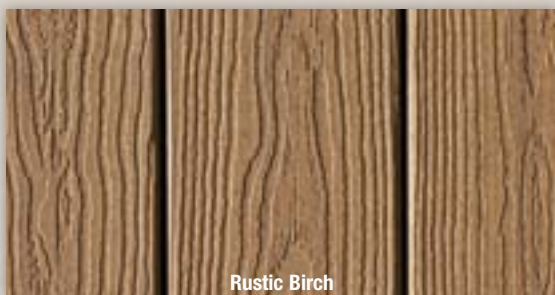

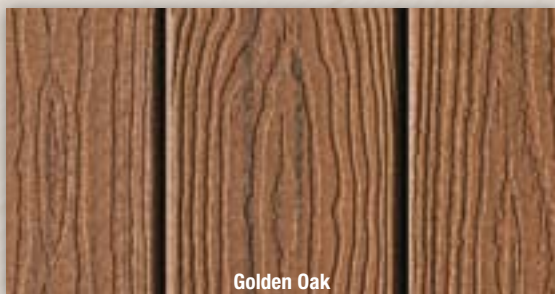

Each color will usually weather to a lighter shade after exposure to the environment, creating a natural, stunning look.*¹ Extruded skirting is also available in coordinating colors without highlights.

Thunderstorm Grey

*Ask your dealer or contractor for "new and weathered" samples so you can determine which color will best complement your home and landscaping.

Vibrance Collection® Colors

Classic Collection colors hold timeless appeal.

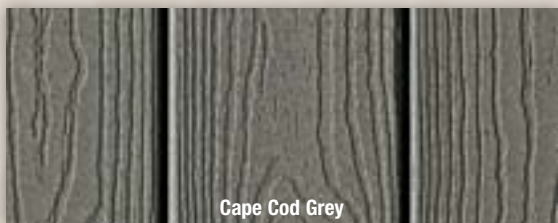

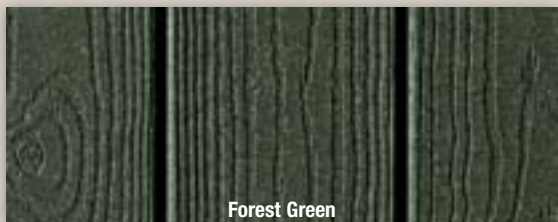

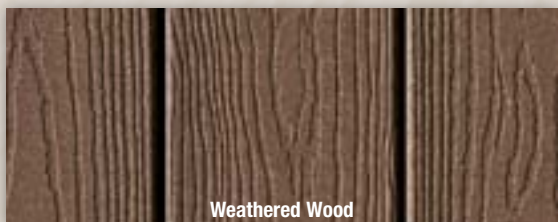

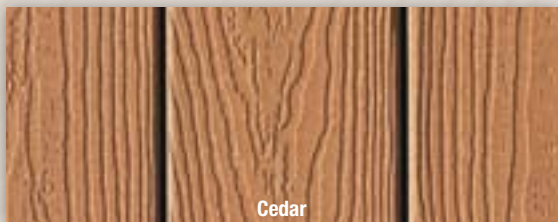

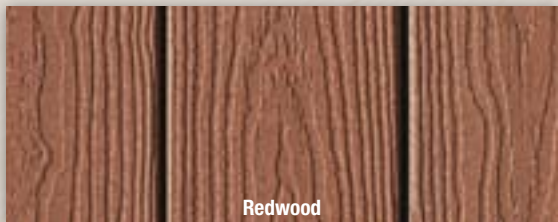

Only you know the perfect color to capture your style and complement your outdoor setting. That's why EverGrain® offers so many beautiful choices. If your taste leans to the traditional, choose a Classic Collection color to create a deck with timeless appeal.

Each color will usually weather to a lighter shade within the first several months of exposure to the environment, creating a natural, beautiful look.*¹ Extruded skirting is also available in coordinating colors to help you add the beauty to every detail.

*Ask your dealer or contractor for "new and weathered" samples so you can determine which color will best complement your home and landscaping.

EG 1•2•3

Hidden Fastener

The smooth, sleek beauty
is the only thing you see.

EG 1•2•3 Hidden Fasteners enable you to create a smooth deck surface for a whole new level of style and sophistication. There's no better way to dramatize the deep grain beauty of EverGrain® decking.

Add a stunning effect with a product designed exclusively for EverGrain decking. Choose EG 1•2•3 Hidden Fasteners.

- Anticorrosive coated steel for decreased visibility and enhanced performance
- Excellent stability without the bounce and squeak of other hidden fasteners
- Provides excellent hold-down power against wind uplift
- Comes with a 15-year Limited Warranty²

EverGrain® is the only way to experience the water.

As the only compression molded composite decking, EverGrain® is also ideal for low maintenance¹ dock performance. It provides outstanding durability and eliminates splinters—all while creating deep lasting grain beauty.¹ Ideal for marine applications, EverGrain Composite Decking comes with the peace of mind of a 20-year Limited Warranty² from TAMKO, including a 5-year Full Start Period.²

Designer Railing System

It's only natural to complement the beauty.

With four coordinating railing system options from TAMKO®, you're sure to find the perfect way to complement your EverGrain® deck—and your outdoor lifestyle. Each Limited Warranty comes with a 5-year Full Start Period.²

The **Designer Railing System** is a premium look with detailed styling. The **Traditional Railing System** offers timeless beauty with minimalist styling. The **2x4 Traditional Railing System** features a classic railing profile. And the **Tam-Rail® Railing System** is a patented triple-layer system that creates outstanding strength and striking beauty in a product that is light in weight and low maintenance.²

1 Before making your purchase, view several full-length boards. Representation of these colors is as accurate as modern technology will permit. As with any composite product, color variations will occur. View several full-length pieces of material prior to final color selection and installation. Colors will usually weather to a lighter shade within the first several months of exposure to the environment. Color selection may vary across profiles.

2 To obtain a copy of the Limited Warranty, the most current version of this brochure, the product installation instructions and care and cleaning instructions, visit tamko.com or call 1-800-641-4691.
