HERITAGE[®] WOODGATE[™]

LAMINATED ASPHALT SHINGLES

MORE WAYS THAN EVER TO CREATE DISTINCTIVE WOOD-SHAKE BEAUTY.

INTRODUCING HERITAGE® WOODGATE™ SHINGLES.

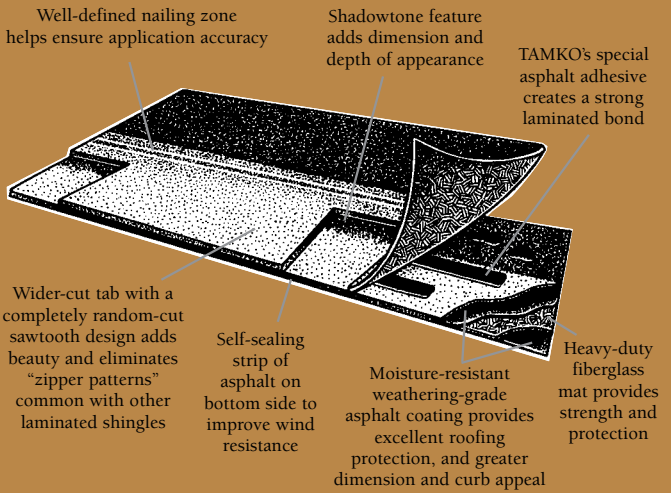

Designed with a wider cut that conveys a rugged yet refined wood-shake look, Heritage® Woodgate™ shingles offer another outstanding roofing option. Additionally, they're made with a unique color blend that complements the expansive look and allows for more dramatic color distribution across the shingle. Heritage Woodgate shingles also feature an enhanced shadow line to further intensify the rustic shake-like beauty.

As part of the American Heritage Series of laminated asphalt shingles by TAMKO®, Heritage Woodgate shingles complement your home's architecture and showcase its beauty. Six color selections are available to enable you to further express your individual style.

Durable construction for excellent roofing protection.

All Heritage Shingles feature double layers of durable fiberglass mat for strength. Each layer is coated on both sides with weathering-grade asphalt and topped with ceramic minerals for excellent roofing protection. A self-sealing strip of asphalt helps provide added wind resistance.

Heritage Woodgate shingles meet ASTM D 3462 at the time of manufacture, are Miami-Dade County approved and come with a 30-year Limited Warranty,* including a 15-year Full Start Period, and a 15-year Limited Warranty against damage from winds up to 110 mph.** They also come with a 10-year Algae-Relief—Algae Cleaning Limited Warranty.***

Shingle Dimensions (Approximate)
39-3/8" x 13-1/4" 5-5/8" exposure

*To obtain a copy of TAMKO's Limited Warranty, visit us online at tamko.com or call us at 1-800-641-4691.

**Heritage Woodgate shingles are warranted up to 130 mph when using High Wind Application.

***Provides for cleaning of discoloration caused by certain algae growth that may occur in areas with high humidity.
