

**Notice of Collection of Personal Information for California Residents**

This Notice of Collection of Personal Information for California Residents supplements the information contained in TAMKO’s California Privacy Policy ([www.tamko.com/legal](http://www.tamko.com/legal)) and applies solely to consumers who reside in the State of California. TAMKO adopts this notice to comply with the California Consumer Privacy Act of 2018 (“CCPA”) and other California privacy laws. Any terms defined in the CCPA have the same meaning when used in this Notice.

**Information We Collect**

In the course of its business, TAMKO collects certain “personal information,” as that phrase is defined by the CCPA. Within the last twelve (12) months, TAMKO may have collected the following categories of personal information from consumers who reside in the State of California<sup>1</sup>:

<b>Category</b>	<b>Examples of Information that May Be Collected by TAMKO</b>
A. Identifiers	A real name, alias, postal address, unique personal identifier, online identifier, Internet Protocol address, email address, account name, or Social Security number.
B. Personal information categories listed in the California Customer Records statute (Cal. Civ. Code § 1798.80(e))	A name, signature, Social Security number, physical characteristics or description, address, telephone number, passport number, driver's license or state identification card number, insurance policy number, education, employment, employment history, bank account number, credit card number, debit card number, or any other financial information, medical information, or health insurance information.
C. Commercial information	Records of personal property, products or services purchased, obtained, or considered, or other purchasing or consuming histories or tendencies.
D. Professional or employment-related information.	Current or past job history or performance.
E. Internet or other similar network activity	Browsing history, search history, information on a consumer's interaction with a website, application, or advertisement.
F. Geolocation data	Physical location or movements.

<sup>1</sup> Some types of personal information fit into multiple categories and are, therefore, listed multiple times. TAMKO will not collect additional categories of personal information without providing you notice.

TAMKO obtains the categories of personal information listed above from the following sources:

- Categories A, B, C, and D:
  - Directly from the consumer. For example, from documents and information provided to TAMKO by a consumer requesting information or services.
  - From third-parties that interact with us in connection with the services we perform.
- Categories E and F:
  - From activity on our website (www.tamko.com). For example, from submissions through our website portal or forms or website usage details collected automatically.

#### Use of Personal Information

TAMKO may use the Personal Information described in Categories A, B, C, and D for one or more of the following business or commercial purposes:

- To fulfill or satisfy the reason the consumer provided the information. For example, if a consumer shares his/her name and contact information to ask a question about our products or services, TAMKO will use that Personal Information to respond to the inquiry. Similarly, if the consumer provides Personal Information to make a warranty claim, TAMKO will use that information to administer the claim.
- To provide the consumer with requested information, products, or services.
- To provide, support, and/or develop TAMKO's Website, products, or services.
- To create, maintain, and/or secure a consumer's account with TAMKO.
- To process a consumer's requests, transactions, and/or payments and prevent transactional fraud.
- To carry out TAMKO's obligations and/or enforce its rights arising from any contracts entered into between a consumer and TAMKO, including for billing and collections.
- For testing, research, analysis, and/or product development.
- To respond to law enforcement requests or as otherwise required by applicable law, court order, or governmental regulations.
- As described to the consumer when collecting the Personal Information.
- Auditing related to a current interaction with the consumer and concurrent transactions.
- Detecting security incidents, protecting against malicious, deceptive, fraudulent, or illegal activity, and prosecuting those responsible for that activity.
- Performing services on behalf of the business, including maintaining or servicing accounts, providing customer service, processing or fulfilling orders and transactions, verifying customer information, processing payments, providing financing, providing advertising or marketing services, providing analytic services, or providing similar services.
- Undertaking activities to verify, improve, upgrade, enhance, or maintain the quality or safety of TAMKO's products or services.
- Attracting consumers to buy, rent, lease, join, subscribe to, provide, or exchange products, goods, property, information, or services, or enabling or effecting, directly or indirectly, a commercial transaction.
