

TW FLASH-N-WRAP® PRO

SELF-ADHERING FLASHING MEMBRANE

KEEP WATER OUT, PREVENT MOLD AND ROT

Protecting exposed entry ways and windows from the elements is essential to the life of construction projects. Proper waterproofing is especially critical to preventing mold and rot in walls from water penetration. New TAMKO TW FLASH-N-WRAP PRO is designed to help ensure a tight seal around window and door perimeters. It installs easily and adheres firmly for reduced air entry to help aid energy efficiency.

TW FLASH-N-WRAP® PRO
