CAUTION: This product may contain wood dust. Wood dust has been classified as a "known" human carcinogen by the International Agency for Research on Cancer (IARC). This product may contain carbon black. IARC has classified carbon black as a "possible" human carcinogen. This product contains straight-run asphalt. The National Institute for Occupational Safety and Health has concluded that the fumes of heated roofing asphalt are a potential occupational carcinogen. The physical form of this product may limit any inhalation hazard except when sawing, grinding or drilling during installation and demolition work. Heating or burning may also increase the inhalation hazard from this product. Take precautions to prevent breathing dust from the product.
