**THE REMEDIES CONTAINED IN THIS LIMITED SYSTEM WARRANTY (“Limited System Warranty”) APPLY ONLY TO SHINGLES INSTALLED IN THE FORTY-EIGHT CONTIGUOUS UNITED STATES AND CANADA (EXCLUDING QUEBEC AND NEW BRUNSWICK). ALL SHINGLES INSTALLED IN LOCATIONS WHERE THE REMEDIES CONTAINED IN THIS LIMITED SYSTEM WARRANTY DO NOT APPLY ARE SOLD “AS IS” AND WITHOUT WARRANTY OF ANY KIND, INCLUDING ANY IMPLIED WARRANTY OR CONDITION OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.**

**How Long Will Your Shingles Last:** It is natural for your roof to age. The process begins as soon as your Shingles are installed and exposed to the harsh elements of nature. The length of time your Shingles will continue to perform their intended purpose of shedding water will depend on many factors, including weather, snow, intensity of ultra-violet radiation from the sun, pollution, debris from nearby trees, and many other factors. Because no two buildings experience these and other aging factors in the same way, it is difficult to accurately predict the period of time your Shingles will last. This Limited System Warranty, subject to its terms and conditions, provides you a remedy during the Term (as defined below) in the event a manufacturing defect causes your Shingles to fail to perform their intended purpose of shedding water.

**Definitions** - In this Limited System Warranty, certain capitalized words have specific meanings:

**“Accessory Products”** refers to the qualifying TAMKO® branded products from at least three (3) separate product categories shown in Table 1. The Accessory Products must be documented and registered at the same time and as part of the Limited System Warranty registration process.

**“Accessory Products Warranty”** means the individual and separate limited warranties provided with each of the Accessory Products, which provide all terms, conditions, limitations and disclaimers with respect to the Accessory Products. Except as expressly referenced in this Limited System Warranty the terms of the Accessory Products Warranty are applicable, remain unchanged and control in the event of any conflict of terms.

**“Eligibility Requirements”** means all of the following requirements have been met and confirmed for TAMKO to extend the Limited System Warranty:

- Shingles installed must be among TAMKO’s shingles listed on Table 2.
- All roof components above the roof deck must be properly installed by a TAMKO Pro Certified Contractor.
- Shingles and Accessory Products must not be installed over existing shingles. Complete tear-off of previously installed shingles, underlayments, and other roof components above the roof deck is required. Re-covers or roof-overs do not qualify.
- Shingles must be installed with a minimum of three (3) qualifying Accessory Products from at least three (3) separate product categories as shown in Table 1 and as part of the same qualifying roof installation in order to be eligible for the Limited System Warranty.
- Shingles and Accessory Products must be properly installed over all roof planes of the building. Partial installations do not qualify.
- The Limited System Warranty MUST be registered within 90 days by a TAMKO Pro Certified Contractor after completion of the installation of the roof in connection with the registration of a Limited System Warranty. It is the responsibility of the Original Owner and not TAMKO to ensure proper and timely registration of the applicable warranties by the TAMKO Pro Certified Contractor.
- Except as expressly stated herein, the Accessory Products Warranty sets forth all applicable terms for the Accessory Products.
- If any eligibility requirement for the Limited System Warranty is not met, only the Standard Limited Warranty on the shingle wrapper shall remain in effect. The Limited System Warranty, applicable to System Products, shall not apply.

**“Application Instructions”** are the full and official application instructions found at tamko.com, which should be reviewed prior to and strictly followed during any installation. For your convenience, abbreviated application instructions are printed on the wrapper.

**“Full Start Period”** means the initial period of the Term during which TAMKO’s obligation is not prorated and includes the reasonable cost of labor for roof repairs, cleaning algae from the roof, reasonable cost of tear-off, removal and disposal of defective System Products, or replacement of any defective System Products according to this Limited System Warranty necessary to install applicable replacement System Products. The length of the Full Start Period for Shingles and other System Products is the same as that shown for the corresponding Shingle as listed in Table 2.

**“High Wind Application”** means application of your TAMKO Laminated Shingles in strict accordance with the High Wind Warranty Fastening Pattern Application Instructions. (See local building codes for additional nailing requirements.) If all High Wind Application requirements are not followed, the Standard Application Wind Warranty (as set forth below) wind velocity applies.

**“Laminated Shingles”** means the laminated asphalt shingles as set forth in Table 2.

**“Lifetime”** means the period of time beginning with the date of retail purchase of the Shingles and continuing as long as the Original Owner or a Purchaser, as defined below, owns the building upon which the Shingles are installed.

**“Limited System Warranty”** means (a) the TAMKO ProShield® Enhanced Limited System Warranty for qualifying Shingles when installed by a TAMKO Pro Certified Contractor, with (b) qualifying Accessory Products, and (c) all Eligibility Requirements have been satisfied. The Limited Systems Warranty extends the Full Start Period on qualifying shingles as stated in Table 1 below and substitutes and replaces the Standard Limited Warranty printed on the Shingles wrapper, packaging or other materials. **The terms of this Limited System Warranty control in the event of a conflict with the terms of the Standard Limited Warranty on any Shingle wrapper, packaging or other materials.**

**“Limited Wind Warranty Term”** means the period of time the Limited Wind Warranty lasts, beginning on the date of retail purchase of the Shingles and continuing for the length of time set forth in Table 2.

**“Original Owner”** means the owner of the building at the time the System Products are installed on that building. If you purchase a new residence from its builder and are the first person to occupy the residence after its construction, TAMKO will consider you to be the Original Owner even though the System Products were already installed.

**“Purchaser”** means someone who purchases from the Original Owner the building upon which the System Products are installed, but only if the purchase occurs within the first twenty (20) years for System Products and the Original Owner and Purchaser comply with the requirements in this Limited System Warranty in the section labeled “Transferability.”

**“Shingles” or “Products”** means the TAMKO shingles identified in Table 2 in this Limited System Warranty which were installed on a building owned by the Original Owner.

**“Single-Family Structure”** means owner occupied, single family, residential structures and does not include: (a) multifamily, non-residential or non-owner-occupied structures; (b) structures owned by a corporation, partnership, limited liability company, trust, governmental entity, religious entity, school district, condominium, homeowner association, or cooperative housing arrangement; or (c) buildings such as schools, apartment buildings, office buildings, multi-use structures or any other type of building or premises not owned by an individual homeowner for his or her own residence.

**“System Products”** means the qualifying Shingles and Accessory Products that meet all Eligibility Requirements and are installed together under this Limited System Warranty, which is also known as the TAMKO Complete® roof system.

**“TAMKO”** means TAMKO Building Products LLC.

**“TAMKO Pro Certified Contractor”** refers to a TAMKO Pro Platinum Certified Contractor or TAMKO Pro Diamond Certified Contractor, each of which is a professional roofing contractor that has (a) applied for and (b) been approved by TAMKO to be either a TAMKO Pro Platinum Certified Contractor or TAMKO Pro Diamond Certified Contractor. A TAMKO Pro Certified Contractor is able to offer this Limited System Warranty to the Original Owner when the contractor (i) meets all Eligibility Requirements; (ii) installs qualifying Shingles according to TAMKO’s Application Instructions available on tamko.com; and (iii) complies with all TAMKO requirements for the issuance of this Limited System Warranty, including but not limited to, timely completion and delivery to TAMKO of all required TAMKO documents and forms and the issuance of this Limited System Warranty with no separate charge to the Original Owner.

**“Term”** means the period of time this Limited System Warranty lasts. The Term begins on the date of retail purchase of the Shingles and continues, unless sooner terminated, for the length of time set forth in Table 2. For TAMKO Laminated Shingles installed on a Single-Family Structure, the Term is the period of time during which the Original Owner or Purchaser owns the building. For TAMKO Laminated Shingles installed on structures other than Single-Family Structures, the Term is 480 months.

**TAMKO Full Start Period:** If, during the Full Start Period, TAMKO determines (subject to the provisions of this Limited System Warranty) that the System Products that have been installed in strict accordance with the Application Instructions have manufacturing defects that have directly caused leaks, TAMKO will compensate the Original Owner or Purchaser for (a) the reasonable cost of replacement System Products to repair or replace such defective System Products and (b) the reasonable cost of labor required for roof repairs, cleaning algae from the roof, reasonable cost of tear-off, removal and disposal of defective System Products, or replacement of any defective System Products according to this Limited System Warranty necessary to install applicable replacement System Products. This paragraph sets forth TAMKO’s maximum obligation during the Full Start Period.

**After the Full Start Period:** If, after the end of the Full Start Period, TAMKO determines (subject to the provisions of this Limited System Warranty) that the Shingles that have been installed (1) by either a TAMKO Pro Certified Contractor and (2) in strict accordance with the Application Instructions available on tamko.com are determined to have manufacturing defects that have directly caused leaks, TAMKO’s obligation is limited to providing the Original Owner or Purchaser the reasonable cost of replacement Shingles to repair or replace such defective Shingles. The reasonable cost of replacement Shingles and the quantity of such replacement Shingles will be prorated. This paragraph sets forth TAMKO’s maximum obligation after the Full Start Period.

**TAMKO IS NOT RESPONSIBLE FOR ANY COST OF LABOR AFTER THE FULL START PERIOD.**

For TAMKO Laminated Shingles, after the Full Start Period and until the end of the 40th year of the Term, the prorated remedy will be equal to the reasonable cost of replacement Shingles or the quantity of such replacement Shingles reduced by 2% for each year elapsed during the Term. Beginning with the 41st year and continuing for the remainder of the Term, the prorated remedy will be equal to 20% of the reasonable cost of replacement Shingles or the quantity of such replacement Shingles. The remaining cost shall be the responsibility of the Original Owner or Purchaser.

**120 Month - Algae Cleaning Limited Warranty:** If, during the initial twelve months after installation, the Shingles become significantly stained by certain algae growth, including blue-green algae, TAMKO (subject to the provisions of this Limited System Warranty) will issue to the Original Owner or Purchaser payment for the reasonable cost of cleaning the Shingles exhibiting stains (up to a maximum of \$15 per one hundred square feet of affected roof area). After the initial twelve months after installation, the reasonable cost of cleaning will be prorated over the remaining months of this Algae Cleaning Limited Warranty by dividing the number of months remaining in the Algae Cleaning Limited Warranty by 120. For example, if TAMKO is notified of an Algae Cleaning Limited Warranty claim at a time when 40 months remain in the 120-month Algae Cleaning Limited Warranty, TAMKO’s maximum obligation is to provide payment for one third of the reasonable cost of cleaning the Shingles exhibiting stains (up to a maximum of \$5 per one hundred square feet of affected roof area). TAMKO shall have no obligation or responsibility for cleaning Shingles: (a) after the initial 120 months after installation, or (b) if the Shingles are not significantly stained by algae growth.

**Limited Wind Warranty:** This Limited Wind Warranty applies only if: (a) the Shingles were installed in strict accordance with Application Instructions, and (b) the Shingles have had the opportunity to seal down.

- Cool Weather Installation** - Shingles that are installed in cool seasons may not seal until weather conditions are adequate to allow the seal down strip to activate and may be vulnerable to blow-offs and wind damage that would not be covered under this Limited System Warranty. Shingles that are not exposed to direct sunlight or adequate temperatures may never seal. Failure to seal under these circumstances is not a manufacturing defect and is not covered by this Limited Wind Warranty.
- Remedy** - If conditions (a) and (b) have been met and during the Limited Wind Warranty Term the Shingles are damaged or blown off by winds at or below the designated wind velocity (see Table 2) as a result of a manufacturing defect, TAMKO will process the Original Owner’s or Purchaser’s claim in accordance with the sections titled “TAMKO Full Start Period” or “After the Full Start Period,” whichever is applicable. Alternatively, TAMKO may, solely at its option, provide the Original Owner or Purchaser with: (a) the reasonable labor cost of manually sealing unsealed Shingles and replacing Shingles that have blown off, and (b) payment for the reasonable cost of replacing Shingles that have blown off.
- How is Wind Exposure Determined?** Shingles will be conclusively deemed to have been exposed to winds in excess of the designated wind velocity for the product if the National Weather Service or other reputable weather

agency records winds or gusts in excess of the designated wind velocity for the Shingles in the county, parish, regional district or municipality where the Shingles are installed or in any adjoining county, parish, regional district or municipality. Exposure of the Shingles at any time to winds or gusts in excess of the designated wind velocity for the product shall extinguish all obligations of TAMKO under this Limited Wind Warranty.

**LIMITATIONS DURING AND AFTER THE FULL START PERIOD AND FOR ANY COVERAGE UNDER THIS LIMITED SYSTEM WARRANTY:**

- TAMKO is responsible for payment only after any and all terms and conditions specified in this Limited System Warranty have been fulfilled.
- TAMKO will be solely responsible for reasonably determining the extent of replacement and any costs, including without limitation, costs of any required labor, cost of replacement Shingles, cost of algae cleaning, cost of sealing Shingles, and cost of installing replacement Shingles.
- Except as provided herein, TAMKO is not responsible for the cost of any materials (including, but without limitation, underlayment, flashings, metal work, etc.), or labor to install any materials other than the replacement Shingles or Accessory Products, or for the cost of tearing off, removing or disposing of Shingles that are to be replaced.
- TAMKO reserves the right to arrange directly for your Shingles or Accessory Products to be repaired, replaced, or cleaned.
- The remedy under this Limited System Warranty is available only for System Products actually exhibiting manufacturing defects at the time the claim is settled. Replacement Shingles will be warranted only for the remainder of the original Term.
- ACCEPTANCE OF PAYMENT BY ORIGINAL OWNER OR PURCHASER SHALL IMMEDIATELY TERMINATE ALL OBLIGATIONS OF TAMKO FOR THE SHINGLES, INCLUDING, BUT NOT LIMITED TO, ALL WARRANTIES CONTAINED HEREIN OR HEREUNDER AND ANY APPLICABLE IMPLIED WARRANTIES AND CONDITIONS INCLUDING WARRANTIES OR CONDITIONS OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.**

**Exclusions from Coverage:** There are many reasons why roofs fail, including but not limited to the following matters, all of which are beyond TAMKO’s control. TAMKO shall not be liable under any circumstances and shall have no obligation under this Limited System Warranty or otherwise for, without limitation, the following matters:

- Shingles that have been: (a) improperly applied, stored or handled; (b) installed without adequate ventilation; (c) not installed in strict accordance with Application Instructions and standard good roofing practices; or (d) installed over roof decks with polyurethane foam applied to the underside of the roof deck.
- Shading, staining, discoloration or damage from any cause whatsoever, including, but not limited to algae (except as provided in the Algae Cleaning Limited Warranty set forth in this document), moss, fungus, overhanging trees, other biological growth, birds, or animals.
- Leaks or damages resulting from Acts of God (including, but without limitation, lightning, ice damming, wind (except as set forth in the Limited Wind Warranty), hurricane or tornado (regardless of wind velocity), hail, or other storm or casualty; acid rain; impact of objects; damage to a roof due to movement, settlement, distortion, failure, defects or cracking of the building or its roof deck, walls or foundation; or for any defect in or failure of material used as a roof base over which the Shingles are applied; or for damage by traffic on the roof.
- Damage to the Shingles as a result of exposure to chemicals including, but not limited to, aliphatic or aromatic solvents, gases, chlorinated hydrocarbons, turpentine, oils or organic or inorganic polar materials.
- Leaks or damage to the Shingles from any cause other than an inherent manufacturing defect in the Shingles.

**Any terms or exclusions contained in the applicable Accessory Products Warranty are applicable to the respective Accessory Products.** In addition to the foregoing, TAMKO shall not be liable under any circumstances and shall have no obligation under this Limited System Warranty or otherwise for direct or indirect economic damages, or for consequential, incidental or punitive damages of any kind (some states do not permit exclusion of consequential or incidental damages so this exclusion may not apply to you), damage to any building, either exterior or interior (including without limitation, mold growth), or any property contained therein or for injuries or damages of any kind whatsoever; or for removal or abatement of any asbestos present in the building on which the Shingles are applied.

**Notification to TAMKO:** The Original Owner or Purchaser must notify TAMKO of claims under this Limited System Warranty within thirty (30) days following discovery of the potential problem with the Shingles. Visit The TAMKO Warranty Center at [www.tamko.com/warrantycenter](http://www.tamko.com/warrantycenter) or contact TAMKO by telephone at 800-441-7190 to learn more about submitting a claim. The notice must include documentary proof of Purchase. Failure to notify TAMKO as provided herein shall terminate all obligations of TAMKO for the Shingles and Accessory Products, including, but not limited to, all warranties contained herein or hereunder and any applicable implied warranties and conditions including warranties or conditions of merchantability and fitness for a particular purpose. NOTE: Notice to your contractor, dealer, or home builder is NOT notice to TAMKO. You should keep this Limited System Warranty for your records in the event you need to file a claim.

**Right of Inspection and Time for Payment:** TAMKO shall have a reasonable time after notification of a claim to inspect the Shingles. The Original Owner or Purchaser shall provide TAMKO with reasonable access to the Shingles for purposes of inspection. If requested by TAMKO, the Original Owner or Purchaser must complete and deliver to TAMKO, at the Original Owner’s or Purchaser’s expense, a warranty questionnaire, photographs of the roof and samples of two Shingles that were originally installed on the roof. If reasonable access is denied or made subject to unreasonable conditions, or if the Original Owner or Purchaser fails or refuses to cooperate in TAMKO’s investigation of the complaint (such as by failing to provide sample Shingles or photographs or a completed warranty questionnaire), TAMKO’s obligation under this Limited System Warranty shall immediately terminate. If TAMKO determines there are manufacturing defects covered by this Limited System Warranty, TAMKO will have a reasonable time after the inspection of the Shingles to process the claim. Unless authorized in writing by TAMKO, any claim for Shingles that have been replaced or repaired prior to resolution of your claim by TAMKO may be denied.

**Transferability:** The Original Owner of the Limited System Warranty may transfer this Limited System Warranty one (1) time during the first twenty (20) years of the Term to a Purchaser of the building upon which the System Products are installed. The transfer must occur simultaneously with the sale of the building. To transfer this Limited System Warranty, the Original Owner must (1) provide TAMKO with written notice within thirty (30) days after the transfer, and (2) pay TAMKO a \$100 transfer fee. The written notice must include the names of the Original Owner and the Purchaser, the address of the building upon which the System Products are installed the date of retail purchase of the System Products, and the date of the transfer. The Original Owner may transfer this Limited System Warranty only

Except for one transfer to a Purchaser as stated above, this Limited System Warranty may not be sold, assigned or transferred in any manner whatsoever. **All other transfers are “AS-IS” with no warranty of any kind.** Neither a Purchaser nor any other person may transfer this Limited System Warranty. Except as set forth in this paragraph, any assignment, sale or transfer of this Limited System Warranty is applied shall immediately terminate all obligations of TAMKO for the System Products, including, but not limited to, all warranties contained herein or hereunder and any applicable implied warranties and conditions including warranties or conditions of merchantability and fitness for a particular purpose.
