Limited Warranty: TAMKO warrants to the Owner that if, during the warranty Term, the Products have material defects including peeling, flaking, corroding or failure of the Product's solar unit due to a material defect, TAMKO's obligation is limited to providing the Owner with either (1) a replacement for the Products determined to be defective, or (2) a refund of the original purchase price of the Products determined to be defective. The decision to provide replacement products or a refund, as outlined in the previous sentence, is at the sole discretion of TAMKO. This is TAMKO's maximum obligation. This Limited Warranty applies only if Products were installed in strict accordance with applicable application instructions and building codes.

TAMKO is not responsible for the cost of labor for installing replacement products. TAMKO is not responsible for the cost of any materials other than the replacement products (as provided herein) including without limitation, sub-structure, supporting structure, etc. TAMKO is not responsible for the cost of removing or disposing of Products which are to be replaced. Replacement products will be warranted only for the remainder of the original Term. Tender of payment shall extinguish all liability of TAMKO under this Limited Warranty and all applicable implied warranties for such claim.

Notification to TAMKO: The Owner must notify TAMKO by telephone at 800-641-4691 or by certified mail at P.O. Box 1404, Joplin, Missouri 64802-1404 of any claims under this Limited Warranty within thirty (30) days following discovery of the potential problem with the product. The notice must include documentary proof of Purchase. Failure of the Owner to notify TAMKO as provided herein shall extinguish all liability of TAMKO under this Limited Warranty and all applicable implied warranties for such claim. NOTE: Notice to your contractor, dealer, homebuilder or installer is NOT notice to TAMKO.

Right of Inspection and Claim Processing: TAMKO shall have a reasonable time after notification to inspect the Products. The Owner shall provide TAMKO with reasonable access to the Products for purposes of inspection. If requested by TAMKO, the Owner must complete and deliver to TAMKO, at the Owner's expense, a warranty questionnaire, photographs of the Products, proof of purchase of the Product, an estimate to replace or repair the affected area, and samples of the Products. If reasonable access is denied or made subject to unreasonable conditions by the Owner, or if the Owner fails or refuses to cooperate in TAMKO's investigation of the claim (such as by failing to provide sample Products [if requested], proof of purchase, photographs, estimate or a completed warranty questionnaire), TAMKO's obligation under this Limited Warranty shall immediately terminate. If TAMKO determines there are manufacturing defects covered by this Limited Warranty, TAMKO will have a reasonable time after receipt of notification to process the Owner's claim.
