Definitions — This Limited Warranty certifies valuable words have specific meanings:

Full Start Period: means the initial period of the Term of this Limited Warranty during which the replacement obligations are not yet in effect and includes the reasonable cost of labor necessary to install the Shingles. After the Full Start Period, this Limited Warranty will be responsible for replacement obligations.

Applicable requirements are not followed, the Standard Application Warranties (as set forth below) will apply automatically.

Limitation—means a certificate issued by TAMKO that may be redeemed to pay some or all of the reasonable cost of labor for roof repairs, cleaning or replacement of Shingles, or to participate in the Shingle Cleaning Limited Warranty, to the extent not prohibited by law, as evidenced by photographs of the Shingles. If reasonable access is denied, or if it cannot be ascertained that the Shingles are eligible for redemption, the Shingle Cleaning Limited Warranty will not apply.

Lifetime—means the period beginning with the date of retail purchase and ending with the date the Shingles are replaced or exchanged; the date on which the Shingles are replaced or exchanged; or the date that TAMKO's maximum obligation during the Full Start Period.

Material Certificate—means a certificate issued by TAMKO and redeemable at participating distributors for a stated quantity of replacement shingles of the same type and color as the defective Shingles which are to be replaced. If one of the same type but a different color, the Shingles may not be replaced with the Material Certificate or with any SacroSeal of Heritage, Heritage IR, Heritage Woodgate, Heritage Premium or Heritage Vintage Shingles installed in or on any building or premises not owned by an individual homeowner for his or her own residence, association, or cooperative housing arrangement; or (c) buildings such as schools, libraries, churches, or private or public institutions which are not single-family structures; (b) structures owned by a corporation, partnership, limited liability company, or association, or cooperative housing arrangement; or (c) buildings such as schools, libraries, churches, or private or public institutions which are not single-family structures; (b) structures owned by a corporation, partnership, limited liability company, or association, or cooperative housing arrangement; or (c) buildings such as schools, libraries, churches, or private or public institutions which are not single-family structures; (b) structures owned by a corporation, partnership, limited liability company, or association, or cooperative housing arrangement; or (c) buildings such as schools, libraries, churches, or private or public institutions which are not single-family structures; (b) structures owned by a corporation, partnership, limited liability company, or association, or cooperative housing arrangement;
