THE ORIGINAL OWNER OF TAMKO® LAMINATED SHINGLES MAY TRANSFER THIS LIMITED WARRANTY ONE TIME DURING THE FIRST FIVE (5) YEARS OF THE TERM TO A PURCHASER. ALL OTHER TRANSFERS ARE "AS-IS" WITH NO WARRANTY OF ANY KIND.

The Limited Warranty for your Shingles is the version in effect on the date of retail purchase. Information included in this version of the Limited Warranty was current at time of printing. To obtain a copy of the most current version of this Limited Warranty, visit us online at tamko.com or call us at 800-641-4691.

THE REMEDIES CONTAINED IN THIS LIMITED WARRANTY ("Limited Warranty") APPLY ONLY TO SHINGLES INSTALLED IN THE FORTY-EIGHT CONTIGUOUS UNITED STATES AND CANADA (EXCLUDING QUEBEC AND NEW BRUNSWICK). ALL SHINGLES INSTALLED IN LOCATIONS WHERE THE REMEDIES CONTAINED IN THIS LIMITED WARRANTY DO NOT APPLY ARE SOLD "AS IS" AND WITHOUT WARRANTY OF ANY KIND, INCLUDING ANY IMPLIED WARRANTY OR CONDITION OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

How Long Will Your Shingles Last: It is natural for your roof to age. The process begins as soon as your Shingles are installed and exposed to the harsh elements of nature. The length of time your Shingles will continue to perform their intended purpose of shedding water will depend on many factors, including weather, snow, intensity of ultra-violet radiation from the sun, pollution, debris from nearby trees, and many other factors. Because no two buildings experience these and other aging factors in the same way, it is difficult to accurately predict the period of time your Shingles will last. This Limited Warranty, subject to its terms and conditions, provides you a remedy during the Term (as defined below) in the event a manufacturing defect causes your Shingles to fail to perform their intended purpose of shedding water.

Definitions - In this Limited Warranty, certain capitalized words have specific meanings:

"Application Instructions" are the full and official application instructions for HailGuard™ Laminated Shingles found at tamko.com, which should be reviewed prior to and strictly followed during any installation.

"Full Start Period" means the initial period of the Term during which TAMKO's obligation is not prorated and includes the reasonable cost of labor necessary to install applicable replacement Shingles. The length of the Full Start Period is listed in Table 1.

"Hailstone(s)" means precipitation in the form of solid ice particles that form within thunderstorm updrafts and fall to the ground as irregular spheres or lumps of ice.

"High Wind Application" means application of your TAMKO Laminated Shingles in strict accordance with the High Wind Warranty Fastening Pattern Application Instructions. (See local building codes for additional nailing requirements.) If all High Wind Application requirements are not followed, the Standard Application Wind Warranty (as set forth below) wind velocity applies.

"Laminated Shingles" means the HailGuard™ laminated asphalt shingle as set forth in Table 1.

"Lifetime" means the period of time beginning with the date of retail purchase of the Shingles and continuing as long as the Original Owner or a Purchaser, as defined below, owns the building upon which the Shingles are installed.

"Limited Wind Warranty Term" means the period of time the Limited Wind Warranty lasts, beginning on the date of retail purchase of the Shingles and continuing for the length of time set forth in Table 1.

"Original Owner" means the owner of the building at the time the Shingles are installed on that building. If you purchase a new residence from its builder and are the first person to occupy the residence after its construction, TAMKO will consider you to be the Original Owner even though the Shingles were already installed.

"Purchaser" means someone who purchases from the Original Owner the building upon which the Shingles are installed, but only if the purchase occurs within the first five (5) years for TAMKO Laminated Shingles and the Original Owner and Purchaser comply with the requirements in this Limited Warranty in the section labeled "Transferability."

"Shingles" or **"Products"** means the TAMKO shingles identified in Table 1 in this Limited Warranty which were installed on a building owned by the Original Owner.

"Single-Family Structure" means owner occupied, single family, residential structures and does not include: (a) multifamily, non-residential or non-owner-occupied structures; (b) structures owned by a corporation, partnership, limited liability company, trust, governmental entity, religious entity, school district, condominium, homeowner association, or cooperative housing arrangement; or (c) buildings such as schools, apartment buildings, office buildings, multi-use structures or any other type of building or premises not owned by an individual homeowner for his or her own residence.

"System Products" refers to the following qualifying TAMKO® branded products of (1) Synthetic Guard™ underlayments, and (2) Moisture Guard® underlayment. The individual and separate limited warranties provided with each of the System Products provide all terms, conditions, limitations and disclaimers with respect to the System Products. Except as expressly referenced in the HailGuard™ Extended Limited System Warranty, the terms of each individual System Products warranty are applicable, remain unchanged and control in the event of any conflict of terms. Additional qualifying TAMKO® branded products may be required for other extended warranties as identified in Table 1.

"TAMKO" means TAMKO Building Products LLC.

"Term" means the period of time this Limited Warranty lasts. The Term begins on the date of retail purchase of the Shingles and continues, unless sooner terminated, for the length of time set forth in Table 1. For TAMKO Laminated Shingles installed on a Single-Family Structure, the Term is the period of time during which the Original Owner or Purchaser owns the building. For TAMKO Laminated Shingles installed on structures other than Single-Family Structures, the Term is 40 years.

"Verified Hailstones" means hailstones measuring 3 inches or less in outer diameter (a) as determined by the National Weather Service or (b) based on Hailstone data, or evidential proof from an independent public or private source chosen by TAMKO.

TAMKO Full Start Period: If, during the Full Start Period, TAMKO determines (subject to the provisions of this Limited Warranty) that the Shingles that have been installed in strict accordance with the Application Instructions have manufacturing defects that have directly caused leaks, TAMKO will compensate the Original Owner or Purchaser for: (a) the reasonable cost of replacement Shingles to repair or replace such defective Shingles, and (b) the reasonable cost of labor directly required for installing such replacement Shingles (excludes tear-off, removal, disposal and accessories). This is TAMKO's maximum obligation during the Full Start Period.

After the Full Start Period: If, after the end of the Full Start Period, TAMKO determines (subject to the provisions of this Limited Warranty) that the Shingles that have been installed in strict accordance with the Application Instructions have manufacturing defects that have directly caused leaks, TAMKO's obligation is limited to providing the Original Owner or Purchaser with the reasonable cost of replacement Shingles to repair or replace such defective Shingles. The reasonable cost of replacement Shingles and the quantity of such replacement Shingles will be prorated. This is TAMKO's maximum obligation after the Full Start Period.

TAMKO IS NOT RESPONSIBLE FOR ANY COST OF LABOR AFTER THE FULL START PERIOD.

For TAMKO Laminated Shingles, after the Full Start Period and until the end of the 40th year of the Term, the prorated remedy will be equal to the reasonable cost of replacement Shingles or the quantity of such replacement Shingles reduced by 2% for each year elapsed during the Term. Beginning with the 41st year and continuing for the remainder of the Term, the prorated remedy will be equal to 20% of the reasonable cost of replacement Shingles or the quantity of such replacement Shingles. The remaining cost shall be the responsibility of the Original Owner or Purchaser.

HailGuard™ Extended Limited System Warranty: This HailGuard™ Extended Limited System Warranty applies only if the Shingles: (a) were installed in strict accordance with Application Instructions; (b) were installed with all System Products; (c) have had the opportunity to seal down; and (d) experience leaks caused by the penetration of Verified Hailstones; provided that coverage **does not apply** to (1) Hailstones with a diameter greater than 3 inches, or (2) foreign objects as described in the "Exclusions from Coverage" section. If conditions (a) through (d) have been met and during the HailGuard™ Extended Limited System Warranty Term (see Table 1), TAMKO will process the Original Owner's or Purchaser's claim in accordance with the sections titled "TAMKO Full Start Period" or "After the Full Start Period," whichever is applicable. If all conditions have **not** been met, then TAMKO shall not be liable under any circumstances and shall have no obligation under this Limited Warranty or otherwise for leaks and damage resulting from hail.

Limited Wind Warranty: This Limited Wind Warranty applies only if: (a) the Shingles were installed in strict accordance with Application Instructions, and (b) the Shingles have had the opportunity to seal down.

1. **Cool Weather Installation -** Shingles that are installed in cool seasons may not seal until weather conditions are adequate to allow the seal down strip to activate and may be vulnerable to blow-offs and wind damage that would not be covered under this Limited Warranty. Shingles that are not exposed to direct sunlight or adequate temperatures may never seal. Failure to seal under these circumstances is not a manufacturing defect and is not covered by this Limited Wind Warranty.
2. **Remedy -** If conditions (a) and (b) have been met and during the Limited Wind Warranty Term the Shingles are damaged or blown off by winds at or below the designated wind velocity (see Table 1) as a result of a manufacturing defect, TAMKO will process the Original Owner's or Purchaser's claim in accordance with the sections titled "TAMKO Full Start Period" or "After the Full Start Period," whichever is applicable. Alternatively, TAMKO may, solely at its option, provide the Original Owner or Purchaser with the reasonable labor cost of manually sealing unsealed Shingles and replacing Shingles that have blown off.
3. **How is Wind Exposure Determined?** Shingles will be conclusively deemed to have been exposed to winds in excess of the designated wind velocity for the product if the National Weather Service or other reputable weather agency records winds or gusts in excess of the designated wind velocity for the Shingles in the county, parish, regional district or municipality where the Shingles are installed or in any adjoining county, parish, regional district or municipality. Exposure of the Shingles at any time to winds or gusts in excess of the designated wind velocity for the product shall extinguish all obligations of TAMKO under this Limited Wind Warranty.

25 Year - Algae Cleaning Limited Warranty: If, during the initial twelve months after installation, the Shingles become significantly stained by certain algae growth, including blue-green algae, TAMKO (subject to the provisions of this Limited Warranty) will issue to the Original Owner or Purchaser a payment for the reasonable cost of labor required to clean the Shingles exhibiting stains (up to a maximum of $15 per one hundred square feet of affected roof area). After the initial twelve months after installation, the reasonable cost of cleaning will be prorated over the remaining months of this Algae Cleaning Limited Warranty by dividing the number of months remaining in the Algae Cleaning Limited Warranty by 300. For example, if TAMKO is notified of an Algae Cleaning Limited Warranty claim at a time when 100 months remain in the 25 Year Algae Cleaning Limited Warranty, TAMKO's maximum obligation is to provide payment for one third of the reasonable cost of cleaning the Shingles exhibiting stains (up to a maximum of $5 per one hundred square feet of affected roof area). TAMKO shall have no obligation or responsibility for cleaning Shingles: (a) after the initial 300 months after installation, or (b) if the Shingles are not significantly stained by algae growth.

LIMITATIONS DURING AND AFTER THE FULL START PERIOD AND FOR ANY COVERAGE UNDER THIS LIMITED WARRANTY:

1. TAMKO is responsible for payment only after any and all terms and conditions specified in this Limited Warranty have been fulfilled.
2. TAMKO will be solely responsible for reasonably determining the extent of replacement and any costs, including without limitation, costs of any required labor, cost of replacement Shingles, cost of algae cleaning, cost of sealing Shingles, and cost of installing replacement Shingles.
3. TAMKO is not responsible for the cost of any materials (including, but without limitation, underlayment, flashings, metal work, etc.), or labor to install any materials other than the replacement Shingles (as provided herein), or for the cost of tearing off, removing or disposing of Shingles that are to be replaced.
4. TAMKO reserves the right to arrange directly for your Shingles to be repaired, replaced, or cleaned.
5. The remedy under this Limited Warranty is available only for Shingles actually exhibiting manufacturing defects at the time the claim is settled. Replacement Shingles will be warranted only for the remainder of the original Term.
6. **ACCEPTANCE OF PAYMENT BY ORIGINAL OWNER OR PURCHASER SHALL IMMEDIATELY TERMINATE ALL OBLIGATIONS OF TAMKO FOR THE SHINGLES, INCLUDING, BUT NOT LIMITED TO, ALL WARRANTIES CONTAINED HEREIN OR HEREUNDER AND ANY APPLICABLE IMPLIED WARRANTIES AND CONDITIONS INCLUDING WARRANTIES OR CONDITIONS OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE**.

Exclusions from Coverage: There are many reasons why roofs fail, including but not limited to the following matters, all of which are beyond TAMKO's control. TAMKO shall not be liable under any circumstances and shall have no obligation under this Limited Warranty or otherwise for, without limitation, the following matters:

1. Shingles that have been: (a) improperly applied, stored or handled; (b) installed without adequate ventilation, including damage caused by improper or inadequate roof ventilation or roof drainage, unvented attics, or enclosed roof rafter assemblies; or (c) not installed in strict accordance with Application Instructions and standard good roofing practices.
2. Shading, staining, discoloration or damage from any cause whatsoever, including, but not limited to, algae (except as provided in the Algae Cleaning Limited Warranty set forth in this document), moss, fungus, overhanging trees, other biological growth, birds, or animals.
3. Leaks or damages resulting from Acts of God [including, but without limitation, lightning, ice damming, wind (except as set forth in the Limited Wind Warranty), hurricane or tornado (regardless of wind velocity), or other storm or casualty]; acid rain; impact of objects; damage to a roof due to movement, settlement, distortion, failure, defects or cracking of the building or its roof deck, walls or foundation; or for any defect in or failure of material used as a roof base over which the Shingles are applied; or for damage by traffic on the roof.
4. Damage to the Shingles as a result of exposure to chemicals including, but not limited to, aliphatic or aromatic solvents, gases, chlorinated hydrocarbons, turpentine, oils or organic or inorganic polar materials.
5. Leaks or damage to the Shingles from any cause other than an inherent manufacturing defect in the Shingles.

In addition to the foregoing, TAMKO shall not be liable under any circumstances and shall have no obligation under this Limited Warranty or otherwise for direct or indirect economic damages, or for consequential, incidental or punitive damages of any kind (some states do not permit exclusion of consequential or incidental damages so this exclusion may not apply to you), damage to any building, either exterior or interior (including without limitation, mold growth), or any property contained therein or for injuries or damages of any kind whatsoever; or for removal or abatement of any asbestos present in the building on which the Shingles are applied.

Notification to TAMKO: The Original Owner or Purchaser must notify TAMKO of claims under this Limited Warranty within thirty (30) days following discovery of the potential problem with the Shingles. For claims under the HailGuard™ Extended Limited System Warranty, the Original Owner or Purchaser must notify TAMKO within twelve (12) months following the hailstorm producing Verified Hailstones alleged to have caused a leak. Visit The TAMKO Warranty Center at www.tamko.com/warrantycenter or contact TAMKO by telephone at 800-441-7190 to learn more about submitting a claim. The notice must include documentary proof of purchase. Failure to notify TAMKO as provided shall immediately terminate all obligations of TAMKO for the Shingles, including, but not limited to, all warranties contained herein or hereunder and any applicable implied warranties and conditions including warranties or conditions of merchantability and fitness for a particular purpose. NOTE: Notice to your insurance, contractor, dealer, or home builder is NOT notice to TAMKO. You should keep this Limited Warranty for your records in the event you need to file a claim.

Right of Inspection and Time for Payment: TAMKO shall have a reasonable time after notification of a claim to inspect the Shingles. The Original Owner or Purchaser shall provide TAMKO with reasonable access to the Shingles for purposes of inspection. If requested by TAMKO, the Original Owner or Purchaser must complete and deliver to TAMKO, at the Original Owner's or Purchaser's expense, a warranty questionnaire, photographs of the roof and samples of two Shingles that were originally installed on the roof. If reasonable access is denied or made subject to unreasonable conditions, or if the Original Owner or Purchaser fails or refuses to cooperate in TAMKO's investigation of the complaint (such as by failing to provide sample Shingles or photographs or a completed warranty questionnaire), TAMKO's obligation under this Limited Warranty shall immediately terminate. If TAMKO determines there are manufacturing defects covered by this Limited Warranty, TAMKO will have a reasonable time after the inspection of the Shingles to process the claim. Unless authorized in writing by TAMKO, any claim for Shingles that have been replaced or repaired prior to resolution of your claim by TAMKO may be denied.

Transferability: The Original Owner of TAMKO Laminated Shingles may transfer this Limited Warranty one (1) time during the first five (5) years of the Term to a Purchaser of the building upon which the Shingles are installed. The transfer must occur simultaneously with the sale of the building. To transfer this Limited Warranty, the Original Owner must provide TAMKO with written notice within thirty (30) days after the transfer. The written notice must include the names of the Original Owner and the Purchaser, the address of the building upon which the Shingles are installed, the date of retail purchase of the Shingles, and the date of the transfer. The Original Owner may transfer this Limited Warranty only one (1) time. Except for one transfer to a Purchaser as stated above, this Limited Warranty may not be sold, assigned or transferred in any manner whatsoever. All other transfers are "AS-IS" with no warranty of any kind. Neither a Purchaser nor any other person may transfer this Limited Warranty. Except as set forth in this paragraph, any assignment, sale or transfer of this Limited Warranty or the building to which the TAMKO Shingles are applied shall immediately terminate all obligations of TAMKO for the Shingles, including, but not limited to, all warranties contained herein or hereunder and any applicable implied warranties and conditions including warranties or conditions of merchantability and fitness for a particular purpose.
