MASTERCRAFT LIMITED WARRANTY ENHANCEMENT

HERITAGE® VINTAGE® • HERITAGE® PREMIUM • HERITAGE WOODGATE®

SHINGLES BEGIN TO AGE AS SOON AS THEY ARE EXPOSED TO NATURE. BUILDINGS EXPERIENCE AGING FACTORS DIFFERENTLY, SO IT IS DIFFICULT TO PREDICT HOW LONG SHINGLES WILL LAST. THAT'S WHY TAMKO PROVIDES A LIMITED WARRANTY FOR MANY PRODUCTS, THAT INCLUDES A BINDING ARBITRATION CLAUSE AND OTHER TERMS AND CONDITIONS WHICH ARE INCORPORATED HEREIN BY REFERENCE. YOU MAY OBTAIN A COPY OF THE LIMITED WARRANTY AT TAMKO.COM OR BY CALLING 1-800-641-4691.

The Mastercraft Limited Warranty Enhancement

for your Shingles: If all of the Eligibility Requirements set forth below are met, this Mastercraft Limited Warranty Enhancement is a supplement to TAMKO's Fiberglass/Asphalt Shingle Limited Warranty (the "Standard Limited Warranty"), the terms of which are incorporated herein. There is no charge to the building Owner for this enhancement. The versions of the Standard Limited Warranty and of the Mastercraft Limited Warranty Enhancement for shingles you purchase are the versions in effect on the date of retail purchase of the shingles. Information included in this version of the Mastercraft Limited Warranty Enhancement was current at the time of printing. Some words used in this Mastercraft Limited Warranty Enhancement have specific meanings which are defined in the Standard Limited Warranty. See the Standard Limited Warranty for definitions.

The Mastercraft Limited Warranty Enhancement enhances TAMKO's Standard Limited Warranty for eligible Shingles by:

Extending the Full Start™ Period during which both labor and materials are covered to 30 years;

Including the reasonable cost of tear-off, removal and disposal; and

Extending the time during which your Standard Limited Warranty with this Mastercraft Limited Warranty Enhancement may be transferred to a new owner to 10 years.

Full Start™ Period: The Full Start Period is the initial period of the Term during which TAMKO's obligation is not prorated and includes the reasonable cost of labor. If all of the Eligibility Requirements set forth below are met, the Full Start Period for **Heritage Vintage, Heritage Premium and Heritage Woodgate Shingles** is increased to 30 years. (In the Standard Limited Warranty, the Full Start Period is 10 years for Heritage Vintage, Heritage Premium, and Heritage Woodgate shingles.)

During the Full Start Period, TAMKO will provide a Material Certificate for replacement shingles to repair or replace Shingles with manufacturing defects which have directly caused leaks and a Labor Payment Certificate that may be used to pay the reasonable cost of installing replacement Shingles. In addition, during the Full Start Period, TAMKO will include in the Labor Payment Certificate the reasonable cost of tear-off, removal and disposal of Shingles with manufacturing defects which have directly caused leaks. The Standard Limited Warranty does not cover the cost of these items.

After the Full Start Period, TAMKO's obligation is limited to providing a prorated Material Certificate for replacement Shingles. Proration will be based on the remaining months in the Term of the Standard Limited Warranty. See the Standard Limited Warranty for complete details.

Transferability: The Owner of Heritage Vintage, Heritage Premium and Heritage Woodgate Shingles, meeting all of the Eligibility Requirements set forth below, may transfer the Standard Limited Warranty with this Mastercraft Limited Warranty Enhancement one time during the first ten years of the Term to a Purchaser. No other transfers are permitted. Only transfers following the procedures in the Standard Limited Warranty are permitted.

Except the extension of the Full Start Period, the addition of certain covered expenses during the Full Start Period and the extension of the period during which the Standard Limited Warranty may be transferred; all terms, contained in the Standard Limited Warranty applicable to Heritage Vintage, Heritage Premium and Heritage Woodgate Shingles shall remain the same. This Mastercraft Limited Warranty Enhancement does not modify or extend the terms of the Limited Wind Warranty or the Algae Cleaning Limited Warranty contained in the Standard Limited Warranty.

Eligibility Requirements: To be eligible for this Mastercraft Limited Warranty Enhancement, all of the following requirements must be met:

- (1) Heritage Vintage, Heritage Premium or Heritage Woodgate Shingles must be properly installed on a single or multifamily dwelling, building for religious services, condominium, school, office building, or multi-use structure.
