

TECHNICAL NOTICE

August 28, 2019

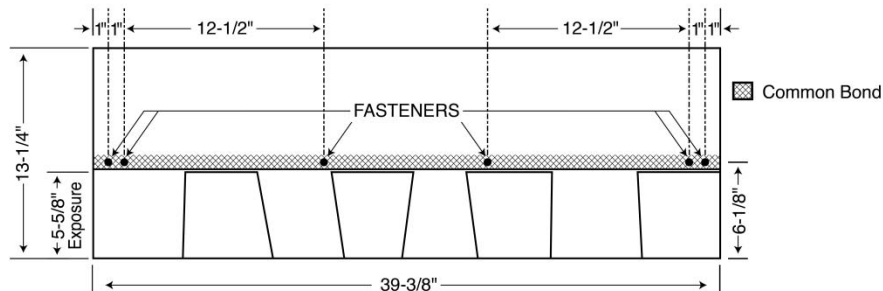

ALTERNATIVE HIGH WIND APPLICATION LIMITED WARRANTY FASTENING PATTERN FOR LAMINATED FIBERGLASS/ASPHALT SHINGLES MANUFACTURED AT DALLAS, TX; FREDERICK, MD; JOPLIN, MO; PHILLIPSBURG, KS; AND TUSCALOOSA, AL*

The fastening pattern illustrated below is an acceptable alternative to the fastening pattern described in the High Wind Warranty Fastening Pattern section of the application instructions identified below for installation of TAMKO Heritage® and Heritage® Premium Laminated Asphalt Shingles manufactured at the production locations identified below. All other requirements of the High Wind Warranty Fastening Pattern section must be followed to qualify for the High Wind Application Limited Warranty.

*Application Instructions for Heritage Laminated Asphalt Shingles
(Dallas, TX; Frederick, MD; Joplin, MO; Phillipsburg, KS)*

Application Instructions for Heritage Laminated Asphalt Shingles (Tuscaloosa, AL)

*Application Instructions for Heritage Premium Laminated Asphalt Shingles
(Frederick, MD; Phillipsburg, KS)*

This document is not intended nor should it be construed to modify or alter the terms of the TAMKO *Fiberglass/Asphalt Shingle Limited Warranty and Arbitration Agreement*. **This fastening pattern is not an acceptable alternative to the Mansard Fastening Pattern** for use on decks with slopes greater than 21 in. per foot.
