TRI-BUILT STARTER 10” MANUFACTURED BY TAMKO ACCEPTED AS SUBSTITUTE FOR TAMKO SHINGLE STARTERS FOR APPLICATION OF HERITAGE® SERIES SHINGLES

TAMKO accepts Tri-Built Starter 10” starter shingles manufactured by TAMKO Building Products, Inc. as a substitute for TAMKO® starter shingles during installation of Heritage®, Heritage Woodgate®, and Heritage® Premium shingles and as a substitute for TAMKO starter shingles used as the first starter course during installation of Heritage® Vintage® shingles. This substitution also satisfies the starter shingle requirement of the “High Wind Warranty Fastening Pattern” portion of the *Application Instructions for Heritage® Laminated Asphalt Shingles* and the first starter course requirement of the “High Wind Warranty Fastening Pattern” portion of the *Application Instructions for Heritage® Vintage® Laminated Asphalt Shingles*.

Except as set forth herein, this Technical Notice is not intended to alter the application instructions for TAMKO® fiberglass/asphalt shingles, which are available at TAMKO.com and are printed on the wrapper of each bundle of shingles. This Technical Notice is not intended, nor should it be construed, to alter or waive any portion of the *TAMKO Fiberglass/Asphalt Shingle Limited Warranty and Arbitration Agreement*.
